Fact Sheet

Navutu Dreams Resort & Wellness Retreat

Dining

Niam Niam Restaurant & Bar is housed in an open-air thatched roof restaurant surrounded by the serenity of the tropical gardens and swimming pools. A strong emphasis is placed on sustainable food, using locally grown produce for an exceptional farm-to-table experience. The day begins with an a la carte breakfast including a baker's tray of fruit and freshly baked pastries and a daily rotating choice of Western or Asian hot dishes. The lunch and dinner menus incorporate Asian and Western flavours and being Italian-owned, you'll find some of the best pasta in town and tasty pizzas from the wood-fired oven. As a wellness resort, there is also a strong focus on healthy cuisine with a specially crafted wellness menu of fresh salads, vegetarian dishes and an extensive detox juice menu.

Discover Siem Reap

Best known to be the home of the UNESCO World Heritage Site Angkor Wat, Siem Reap is a charming town with plenty to experience for the intrepid traveller

Temples

Half day to multi-day temple tours, bike rides or a photography tour to capture the temples in the best light.

Local Life

Daily community tours give guests a glimpse of the daily local life that surrounds the resort. Visit villages and ancient pagodas, social enterprises and finish the tour in the perfect sunset spot overlooking verdant rice paddy fields.

Families

For families, the ultimate adventure awaits with the opportunity to try a Kun Khmer boxing class or Apsara dance class, a mini-cooking class to make your own pizza or a kids yoga class.
